

**TOWN OF GIBRALTAR**  
**DONATION POLICY**  
**(Revised January 28, 2020)**

Donations of any amount are welcome and will be used for town beautification. Your donations can be used to purchase picnic tables, benches or other park equipment, improve current gardens or aid in the establishment of new ones, eradicate invasive plants, fund the planting of trees, or support other beautification efforts. While the Parks and Lands Committee has responsibility for determining where such donations will be best utilized, they will make every effort to accommodate donor suggestions.

As a general guide, the following are the costs of larger items typically donated to the Town:

- Picnic Table \$800.00
- Park Bench \$400.00
- Large Tree \$300.00
- Saplings for Town park reforestation \$100.00 (for 10)

For each donation of \$100.00, donors will have the option of having their names engraved on a bronze “Tree of Giving” leaf with a personalized message of their choosing. The “Tree of Giving” is located in the main hallway of the Town Center. Please note that the past practice of having a personalized message placed or engraved on the donated item itself has been discontinued. However, exceptions may be approved in the future by the Town to memorialize long-term residents who have made significant contributions to our community.

If you would like to make a donation toward the beautification of our community, please make your check payable to the Town of Gibraltar, write “Parks and Lands Beautification” in the memo line and mail it to the following address:

Town of Gibraltar  
PO Box 850  
Fish Creek, WI 54212

Along with your check, please include the name(s) you would like engraved on your bronze leaf along with any personal message. Any questions, or specific suggestions on how to use your donation, should be directed to the Town office.
