

Resolution 2025-01

Resolution amending the Underground Right-of-Way Access Policy

WHEREAS, the current Town of Gibraltar Underground Right-of-Way Access Policy contains provisions that are cost prohibitive.

WHEREAS, the current policy only allows for one type of site restoration backfilling and is cost prohibitive;

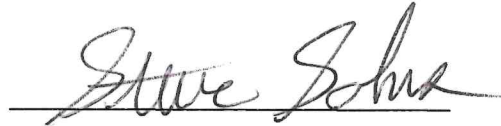

WHEREAS, the amended policy provides for another backfilling option allowing contractors to use native backfill or offsite crushed aggregate, which is less cost prohibitive;

WHEREAS, the amended policy provides definitions of native backfill material and off site crushed aggregate as well as aggregate gradation requirements;

NOW, THEREFORE, BE IT RESOLVED, that the Town Board for the Town of Gibraltar hereby goes on record to adopt the Amended Underground Right-of Way Access Policy as the Towns guide for future Underground Right-of-Way Access permits.

Dated this 5th day of February, 2025.

Town of Gibraltar

Steve Sohns, Town Chairman

Laura Reetz, Town Clerk

ATTEST:

I hereby certify that the above is a true and correct copy of the resolution passed by the Town of Gibraltar board of the Town of Gibraltar at the regular meeting thereof held this 5th day of February 2025.

Laura Reetz, Town Clerk
